Dear George,

I want to thank you for your exceptional service related to all aspects of the sale of Regina Maris. You are extremely knowledgeable and helpful. You carefully explained the selling process and always communicated with me on a timely basis. The excellent listing with beautiful photographs that you wrote for Yacht World attracted many potential buyers which resulted in the sale of my Caliber 38 in less than three months. From the listing to the closing of the sale, you provided first-rate service.

Thank you for a professional and positive experience!

*Sincerely,*
